उद्देश्य

बच्चे ही किसी भी देश के भविष्य होते हैं। देश को प्रगति के पथ पर अग्रसर करने के लिए आवश्यक है, कि सर्वप्रथम बच्चों को संस्कार से परिपूर्ण किया जाए। संस्कार बच्चों के चरित्र, विचार और व्यवहार में सकारात्मक परिवर्तन लाता है। बच्चों को संस्कारित, संयमित और शालीनता प्रदान करने में विद्यालयों की अहम भूमिका होती है। विद्यालयों का अध्यापन एवं परिवेश बच्चों के मन से निराशा तथा नकारात्मक विचारों को दूर कर उनमें जीवन के प्रति आस्था, निष्ठा एवं विश्वास प्रदान करता है। मूलतः इन उद्देश्यों की पूर्ति करने में शिक्षकों का ही योगदान एवं पूर्ण सहयोग प्राप्त होती है जो बच्चों/छात्रों को आगे बढ़ाकर देश के प्रगति एवं निर्माण में समाज को सहयोग करते हैं। इसी उद्देश्य की पूर्ति के लिए संत लूसिया कॉन्वेंट की स्थापना की गई है, ताकि यहाँ से शिक्षा प्राप्त कर बच्चे समाज को सही दिशा में ले जाएँ और देश की उन्नति, प्रगति में सहयोगी बनें। मेरा ऐसा विश्वास है कि बच्चों के चरित्र निर्माण में माता-पिता एवं पारिवारिक माहौल का अति महत्वपूर्ण योगदान होता है।

अतः हम सब मिलकर एक ऐसे बाग का माली बने जिसमें हजारों-हजार कलियाँ प्रस्फुटित होकर अपने मनमोहक सुगंध से दिल की गहराइयों में उतर जाने वाले महक से न केवल परिवार, समाज, देश बल्कि पूरे विश्व को परिपूर्ण एवं तृप्त कर दें।

EDUCATION FOR ALL

Now a days, we have seen the magazine and the newspaper of all over the world and found that the country which is more educated is in more progress in the area of Science, Commerce, Engineering and Technology along with health and wealth. Therefore, it is necessary to make arrange by the government or the educational sources, and our societies must be educated for development in their societies and our country. Our learned persons have also gave us some message on the matter of education as like Swami Vivekanand, Mahatma Gandhi, Rabindranath Tagore, B. R. Ambedkar, APJ Abdul Kalam. They have not given only message for us but they given all the practical root to develop our country in the area of literature, culture, game and sport, law and order and technology respectively.

Therefore, we should be determined for equal educational policy to the society so that my country may be developed like Russia, America, Japan and other developed countries.

Director Message

Dear Parents/Guardians,

The St. Lucia Convent is English Medium school which has been Established about 5 years ago. The financial position of this school is not better but performance in respect of study, culture, discipline etc. of the students are satisfactory. However myself cannot express on the matter of progress of the students studying in this school, but this may be seen yourself and justify the bright future of your children. I myself and our teachers are also always efforting to all over the progress of the students. In view of the

bright future of the students I always remember a message of Swami Vivekanand who was Unique Mahapurusha, Learned Person, Karma Yogi and the National thinker, who gave a message as:

"Education is the manifestation of the perfection already in man." He also said that "Education is not the amount of information that is put into your brain and runs rot there, undigested all your life." Truly inspired by the vision of Swami Vivekanand and other Eminent Scholars of our Country and the rest of the globe. We have decided to come up with more significant and creative steps in school's education with a strong commitment of use of modern and innovative approach for spreading basic knowledge.

Well, I am extremely delighted to welcome you warmly in St. Lucia Convent, Patna, which is dedicated to inculcate strong moral values, qualities of integrity, honesty, creativity, imagination, perseverance, benevolence, discipline, self-confidence, transparency of thoughts and command over communication skills in the students for academic excellence. We are at the doorstep of a new challenge and opportunity with a pledge of making our school as a centre of excellence where a stress free and better environment, discipline etc. are provided to the children for development of their natural mind.

In view of my own thinking it is also true that "the Basic Education (school Education) is backbone of the children's life, on which whole life is stand on the people and it is also true that the Education is best policy for the human's life.

Therefore, in view of the bright future of the students of this school your heartily Co-operation and the support is essential.

With the best regard,

Sanjay Kumar Bhatt
Director
